ABOUT ME

I am a Computer Science and Engineering student at KL University with a strong academic background and a passion for using technology to solve real-world problems. Skilled in building applications, improving algorithms, and exploring new technologies. Experienced in working on team projects by contributing ideas, learning from others, and sharing knowledge. Committed to improving my technical skills and creating practical, innovative solutions.

EDUCATION

Bachelor of Technology in Computer Science and Engineering (Data Science) 2022 – 2026
Koneru Lakshmaiah University, Vijayawada
CGPA: 9.29

TECHNICAL SKILLS

Languages: C, Python, HTML, CSS, SQL, EXCEL, POWER BI
Libraries: NumPy, Pandas, Matplotlib, OpenCV
Web Development Tools: VS Code, Git, GitHub
Areas of Interest: Data Analysis
Soft Skills: Problem Solving, Self-learning, Presentation, Adaptability

CERTIFICATIONS

- Google Cloud Certified Associate Cloud Engineer 📜
- MongoDB Associate Database Administrator 📜

PROJECTS

- **Airline Management System (Mern Stack)** 📜
 - Tools Used: MongoDB, JavaScript
 - Purpose: Streamlines airline operations including scheduling and ticketing.
 - Features: Efficient customer data management with interactive user interfaces.
- **One-to-One TCP Chatroom Application (Python)** 📜
 - Tools Used: Python, Tkinter, TCP Sockets, Multi-threading, PyInstaller
 - Use: Real-time one-to-one chat communication between two systems over a network
 - Context: GUI-based desktop application with server/client modes and standalone installer support

EXPERIENCE

- **Cloud Computing Intern [Certificate]** 2023 – 2024
AICTE Online
 - Worked on AWS cloud services and learned about cloud architecture and deployment.
 - Gained experience with scalable cloud infrastructure solutions.

ACHIEVEMENTS

- **Techolution Hackathon** 📜
 - Role: Backend Developer Intern; developed an AI Template Generation Project using innovative methods.
 - Gained practical experience in backend development, AI project implementation, and teamwork.
- **AWS Training / NSDC Certification** 📜
 - Completed all assessments and practical exercises successfully.
 - Acquired hands-on knowledge in cloud computing and deployment best practices.
